

PROFLAT™ Eyewear Case

TTA055

Modern triangular design and the luxurious feel of the ProFlat™ Eyewear Case provides the convenience of easy storage and brand visibility. This eyewear case sets the bar for eyewear protection against scratches, lens and frame damage while eliminating the bulk of "the standard" case. Designed for the ultimate space-savings while not in use, this case folds flat (under 0.5"), taking up nearly any space at all. Brand visibility is maximized with full-color decoration on the front and back of the case.
