

HG SERIES Qi SMART CHARGE

Wireless Charging Car Mount with Hands-Free Phone Grip

TTA068

Make the drive better with the convenience of the latest wireless fast-charging(15W) technology and 100% hands-free driving. Enabled with IR sensor technology, just place the Qi-Enabled phone on the mount and watch its arms securely hug the phone in perfect alignment for ideal wireless charging. While featuring the latest wireless charging technology this unique HG Series car mount offers impressive high-gloss, full-color decoration that is seen every time the mount is used.
