### The Right Fit For A Cloth Face Covering

- Fits snugly but comfortably against the side of the face
- Allows for breathing without restriction
- Able to be laundered and machine dried without damage or change to shape

Source CDC.GOV

"I've been recommending neck gaiters, and my kids wear neck gaiters," Dr. Marr said. "There's nothing inherent about a neck gaiter that should make it any worse than a cloth mask. It comes down to the **fabric** and **how well it fits.**"  
-NY Times
